DRAINAGE EASEMENT

This Drainage Easement (hereinafter the "Easement Agreement") is made and entered into this 7th day of June, 2002, by and between Birchwood Acres Limited Partnership, LLLP, a Florida limited liability limited partnership (hereinafter referred to as "Grantor") whose address is 4305 Neptune Road, St. Cloud, Florida 34769 and Harmony Community Development District, a special district according to chapter 189, Florida Statutes, (herinafter referred to as "Grantee") with an address of 10300 N.W. 11th Manor, Coral Springs, Florida 33071

WITNESSETH:

WHEREAS, Grantor is the owner of that certain real property more particularly described in Exhibit "A" attached hereto (the "District Property"); and

WHEREAS, Grantor is the permittee of a certain South Florida Water Management District ("SFWMD") Permit No. 49-01058-P (the "Permit") concerning the surface water management system for a portion of the District Property; and

WHEREAS, certification of the completion of construction of the surface water

management system which is the subject of the Permit has been accepted by SFWMD and incorporated into the SFWMD Permit file; and

WHEREAS, by separate instrument Grantor and Grantee intend to transfer the Permit to Grantee and to designate Grantee as the responsible operating entity for the operation phase of the Permit; and

WHEREAS, until transfer of the Permit to Grantee has been effected and accepted by SFWMD, Grantor shall remain liable for compliance with the Permit; and

WHEREAS, the parties hereto desire to establish a perpetual, non-exclusive easement for the term hereinafter described to provide Grantee with the right to utilize certain property and facilities for such purposes and subject to such terms and conditions as are more particular described herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The above recitals are true and correct and incorporated herein by this reference.
2. Grantor hereby grants to Grantee, its successors, and assigns a perpetual, non-exclusive easement (the "Easement") for ingress and egress; surface water management, drainage, transmission, retention and detention; and installation, maintenance, repair, replacement and operation of all structures, ponds, facilities, equipment and infrastructure as may be reasonably necessary to maintain compliance with the Permit.

3. The property subject to the Easement (the "Easement Property") shall initially be the entire District Property.
4. The Easement shall be modified from time to time hereafter to more narrowly describe the Easement Property as the property upon which the surface water management system, including but not limited to all related structures, ponds, facilities, equipment and infrastructure exists together with such additional property as may be necessary to ensure that Grantee will at all times have free and clear access to the surface water management system and the ability to temporarily utilize adjacent property for the purpose of performing its obligations to operate and maintain such system.
5. The Easement Property may be further modified by Grantor from time to time to provide for the relocation of any portions of the surface water management system, including but not limited to all related structures, ponds, facilities, equipment and infrastructure as may be necessary or desirable in Grantor's sole and absolute discretion to maintain compliance with the Permit or to provide for the development of the District Property.
6. Upon any amendment of this Easement Agreement to modify the description of the Easement Property the Easement shall automatically be deemed terminated and released for all purposes from any property that is not included in such modified legal description.
7. Grantee hereby covenants to join into any and all amendments to this Easement Agreement or other instruments concerning the Permit as may be reasonably requested by Grantor to maintain compliance with the Permit or to provide for the development of the District Property.
8. The terms and provisions of this Easement Agreement shall be binding

upon and inure to the benefit of Grantor and Grantee and their heirs, representatives, successors, and assigns. The benefits and burdens hereof shall run with the land and be appurtenant thereto, with the effect that any person or entity which acquires an interest in the Easement Property shall be entitled to the benefits and be bound by the burdens hereof.

9. Grantor's and Grantee's liability under this Easement Agreement shall be limited to their interests in the District Property and the Easement Property, respectively, as encumbered from time to time.

10. No walls, fences or barriers of any sort or kind that would prohibit the use of the Easement shall be constructed or maintained on the Easement Property by either party.

11. Subject to the limits on liability set forth above, each party does hereby release, indemnify and promise to defend and save harmless the other party from and against any and all liability, loss, damage expense, actions, and claims, including reasonable attorney fees and costs incurred by the other party in defense thereof, asserted or arising directly or indirectly on account of the acts or omissions of the indemnifying party, their servants, agents, licensees, invitees, employees, and contractors; provided, however, this paragraph does not purport to indemnify such party against liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of the party itself, its agents, or employees.

12. Nothing contained in this Easement Agreement shall be deemed to be a gift or dedication of any portion of the District Property to the general public or for any public use or purpose whatsoever, it being the intention of the parties hereto that this Easement Agreement is for the exclusive benefit of the parties and their successors, and assigns, and that nothing in this Easement Agreement express or implied, shall confer upon any person, other than

the parties, and their successors, and assigns, any rights or remedies under or by reason of this Easement Agreement.

13. Except as expressly set forth herein, this Easement Agreement may be amended or modified at any time only by an agreement in writing mutually agreed to, executed and acknowledged by the parties and thereafter duly recorded in the Public Records of Osceola County, Florida.

14. It is expressly agreed that no breach, whether or not material, of the provisions of this Easement Agreement shall entitle any party to cancel, rescind or otherwise terminate this Easement Agreement but such limitation shall not affect, in any manner, any other rights or remedies which any party may have hereunder by reason of any breach of the provisions of this Easement Agreement.

15. If any provision, or a portion thereof, of this Easement Agreement, or the application thereto to any person or circumstances shall, to any extent, be held invalid, inoperative or unenforceable, the remainder of this Easement Agreement or the application of such provision, or portion thereof, to any persons or circumstances shall not be affected thereby and the remainder of this Easement Agreement shall be given effect as if such invalid, inoperative or unenforceable portion has not been included and such invalid, inoperative or unenforceable provision, or portion thereof, or the application thereof to any person or circumstances, shall not be given effect.

16. This Easement Agreement shall be construed in accordance with the laws of the State of Florida.

17. Any notice demand, request, consent, approval, designation, or other communication made pursuant to this Easement Agreement by one party to the other shall be in

writing and shall be given or made or communicated by personal delivery (including courier service), or by United States registered or certified mail, returned receipt requested, addressed, in the case of Grantor to:
