

# GUSTAV ERIKSON

## Candidate for Harmony CDD Board Seat Number 5

Hello, my name is Gustav Erickson and I am running for the CDD Board, Supervisor Seat 5.

I am a long time resident of Harmony, having been here since 2010.

As a father of three I children, I was drawn here by the amazing schooling as well as the community feel. My children experienced just about every amenity Harmony had. Some of those accessible amenities don't exist anymore. I'd like to see them return so that Harmony can continue that family draw.

After moving to Florida, I decided a career change was in order. That choice took me to the University of Central Florida to pursue a degree in elementary education.

Fast forward several years later.

I've learned a lot about working with people, thanks to the eight years I've spent in education. Having an intimate understanding of education standards, working with my colleagues to develop lessons, and adapting them to the needs of my students is essential to education.

It is important that Harmony find ways to maintain and enhance our amenities for families.

Additionally, our CDD Supervisors must be able to work together with the residents in mind to find solutions to any issues that may arise.

It is for these reasons that I have chosen to offer my services to the Harmony community as a Board Supervisor and seek the CDD Seat 5 position.

I would appreciate your support and your vote in November. Thank you.
