

# MELISSA GROVE

## Candidate for Harmony CDD Board Seat Number 1

Hi, my name is Melissa Grove and I am running for the CDD Board, Supervisor Seat Number 1.

There are two reasons to vote for me.

First, I have substantial Government and legal experience. I first started working on federal and state contracts in Washington, DC in 2007. I will voluntarily give my time to assure better vendor agreements, bidding processes, and overall legal aspects to the CDD board. With almost two decades of paralegal and Government military contracting experience, including being an advisor for TRICARE military healthcare contract, I bring a niche skill set.

The second reason is the simplest; I truly love this community.

When my husband, Ronnie Grove, and I passed by on our way to Disney a couple years ago, curiosity took over, forcing us to venture into the community. It was love at first sight. We fell in love with the nostalgic feel that the community has. Just like you, I moved to Harmony because of the good old days feel; children riding bikes, couples walking on sidewalks in the evenings, and the general safety and community feeling.

Community is the most important thing; especially in times like these. When you live in Harmony, you know that your neighbors have your back, and you have theirs. My goal is to support, maintain, and flourish that community spirit.

Harmony was founded on the principal that nature and humans live together in harmony. My goal is to not only nourish what we have now but also expand where we can, preserving and promoting the living with nature in a harmonious relationship. Having a bee and butterfly garden in my yard and a spot in our community garden, I love everything about encouraging and sustaining nature in this community.

Vote for me and let's make Harmony prosper like never before.
