

Mystery Pond #48

Supervisors:

The Neighborhood O map that my firm prepared at the time the CDD took over the maintenance of the common CDD owned Areas in Neighborhood O is attached.

I will refer to this map during the meeting.

Also attached is one version of one of the overall maintenance maps. The additional small pond (#48) should have also appeared on the larger maintenance map for the entire CDD. You can see the outline of it but it was not colored in as it should have been.

Regards,

Steve Boyd
