Undeveloped Tract

- Area Location .... Bounded by Schoolhouse, Butterfly, Galaxy, & Sundrop

- Area Ownership .... Currently Developer property! District acquire/share it?
- Utilization Limited .... Currently used for school and personal overflow parking
- Usage Deficiencies .... Grading & fill needed to support <u>structural</u> development?
- Plausible Alternatives .... Softball Field, Skateboard Park, or Swim Facility (original)
  Land requires nothing – except a commitment to use it!
- Development Budget .... Would seem to be an appropriate place for investment
  Any possibility of cost sharing by District & Developer?
- Engineer Plat Layout .... Same detailed drawing quality as supplied for pipeline
  Need "OK for Playground" confirmation by Engineer
